*James Maser (Cafe Fanny, Picante Berkeley): "I still fight the urge to punch people in the face."*

*James Maser (Cafe Fanny, Picante Berkeley): "I know how to get rid of people."*

On numerous occasions, Jennifer W. Sherman and James Maser have declined to close the front door of our house. I believe that these actions have been willful.

On Tuesday, December 20, 2022, Jennifer W. Sherman and James Maser left the front door of the house open on multiple occasions.

I would like Alice Waters to inform her employee that the front door of her house should be closed at all times. Jennifer W. Sherman (The Edible Schoolyard Project) has been a full-time resident of the house for most of 2022.
